GraidTM

GRAID™ INTRODUCES A LINE OF MEDICAL TECHNOLOGY DESIGNED TO ENHANCE TREATMENT OUTCOMES FOR CONSUMERS.

These feature a series of high-quality plasters specifically formulated for minor cuts and abrasions. With a wide range of packaging options available, including various quality levels, properties, and the possibility of customized printing on the plasters itself, GRAID™ offer versatile solutions to meet your specific needs.

GRAID™ wound care range is designed to keep your cuts, scrapes, and other skin injuries clean and protected. All products meet the stringent requirements of the Medical Device Regulation (MDR) and are registered with the FDA in multiple countries. We prioritize quality and safety, as evidenced by our ISO and EC certifications.

Additionally, our dedication to environmental responsibility is reflected in our compliance with ISO14001:2015 and ISO9001:2015 standards. On top of this the packaging options are from sustainable, environmentally and socially responsible sourced origin. Choose GRAID™ for excellent wound care that ensures optimal healing, protection, and peace of mind.

TESTING & CERTIFICATIONS

Committed to unwavering quality and global legal adherence. We meticulously observe worldwide regulations, continuously update our ISO and EC certifications, and make sure our products not only meet but exceed regulatory standards.

As we navigate through the transition to MDR, all our medical products uphold CE certification from TUV SUD, showcasing strict adherence to vital health, safety and environmental protection standards. Consequently, these products are allowed smooth distribution and sale in specified markets.

REACH Compliance: We conduct thorough testing of our materials in line with the European Chemicals Agency and directive EC/1907/2006, ensuring our products are safe and considerate of environmental and human health. Meticulous adherence to regulatory standards.

MDD / MDR Certificates:

ISO13485:2016 Quality Management System, Cert. no. Q5 067759 0027 Rev. 04

EUROPE: EC Certificate Class IIa, IIb, or III MDD, Annex V, Cert. no. G2 067759 0023

EC Certificate Class Is Sterile Devices MDD, Annex V, Cert. no. G2S 067759 0029

EC Certificate Class I Devices in sterile condition, Annex XI Part A

following MDR No. G21 067759 0033 USA: FDA Registration No. 10027255

AUSTRALIA: TGA Registration No. DV-2013-MC-02343-1

CHINA: FDA, Zhejiang, China Registration No. 20130054

We comply with environmental and quality control certifications:

ISO14001:2015 Cert. no. 12 104 36534 TMS

ISO 9001:2015 Cert. no. 12 100 36534 TMS

We comply with social compliance programs:

Audited/approved by BSCI, SEDEX, and BRC
